klinchSTIK[®] Corner Bead

Product Benefits

Phillips klinchSTIK[®] metal drywall corner bead provides lasting corner protection to exposed drywall edges and features many benefits:

- Deeply knurled mud anchors on flanges for perfect mud adhesion
- Grey galvanized steel surface coating to ensure consistent, high-quality finishing every time
- Ideal for installation with a clinching tool

Certification

Phillips klinchSTIK[®] corner bead meets or exceeds ASTM C 1047 Standard Specification for Accessories for Gypsum Wallboard.

Storage

Avoid bending or other damage and store in a dry place protected from moisture.

Installation Recommendations

Phillips recommends installation in accordance with applicable ASTM standards and using prevalent industry standards. Reference materials include ASTM C 754, Gypsum Association GA-216, Gypsum Association GA-600 and Phillips Manufacturing's website (www.phillipsmfg.com).
