

ShadowFree® 3/4" Bullnose Splay Corner Bead

Exclusive ShadowFree® metal bullnose splay corner beads provide lasting corner protection to exposed drywall edges. Color primed surface cuts finishing time as well as adding texture to the already deeply knurled mud anchors on flanges for excellent mud adhesion. Bullnose profiles provide smooth, rounded finishes and are available in both 3/4" and 1-1/2" radiuses. This drywall finishing product is nailed, stapled, screwed or clinched into place.

Product Data and Ordering Information⁴

Material: .0.012 min thickness, minimum G40 galvanized
 Dimensions: 3/4"
 Part Number: BS3SF

Length	Pieces Per Carton	Cartons Per Pallet	Feet Per Carton
