

## **gripSTIK® Spray Adhesive**

gripSTIK® Spray Adhesive is a high tack, high coverage, fast drying, web based spray adhesive designed for adhering Phillips gripSTIK® Corner Beads and Trims to drywall. An adjustable nozzle directs desired spray width and strength. Additional uses include: Hanging plastic sheathing or barriers on environmental abatement projects, permanently attaching foils, carpeting, many lightweight foams, paper, cardboard, felt and cloth to painted or unpainted metals, wood, hardboard and other base materials. Provides high initial "grab" with sufficient open time to allow for positioning of materials. Low soak-in gives better looking and higher coverage bonds.

### **Product Data and Ordering Information**

Part Number: 999SPRAY

Packaging: 17.0 oz. per can, 12 cans per case, 80 cases per pallet

### **Applicable Standards**

Phillips gripSTIK® Spray Adhesive meets California VOC content limits. VOC content is less than 55% by weight. See SDS for additional information.

### **Storage**

Avoid damage and store in a covered area away from direct sunlight. Do not expose to heat or store at temperatures above 120°F/49°C as higher temperatures reduce normal storage life. Do not puncture or incinerate container, even when empty. Do not discard in compactor.
