

6" Strip Lath

6 inch Strip Lath works very well at strengthening corners for window openings and door ways. Reinforce those corners prone to cracking by applying diagonally across the corners where cracking is prevalent. Also works very well for reinforcing other areas on a stucco job noted for cracking.

Product Data and Ordering Information

Material: Hot-dipped galvanized
Part Number: STP6HDG8

	Sheet Size	Pieces per Bundle	Bundles Per Carton	Feet per Carton
	6" x 97"	25	3	600
